

LIFE ACADEMY TUITION SCHOLARSHIP APPLICATION

Life Academy seeks to support families in providing a Christian education for their K -12 students by offering partial scholarship funds exclusively to New Life Fellowship members. These funds, covering only a portion of monthly tuition, are limited, and can be applied to tuition and/or book fees.

Financed by donations from New Life Fellowship and Terre Haute community members, Life Academy scholarships are reviewed and granted annually. Applicants must reapply each year, and previous assistance does not guarantee future support. The availability of scholarship funding is contingent upon overall contributions. All enrolled Life Academy students meeting the criteria can apply for these funds.

To apply for scholarship funds, please follow the instructions below:

1. Submit the completed Tuition Scholarship Application form to the school office.
2. Include the current report card (1st-8th grade) and transcript (high school).
